PROFESSIONAL SUMMARY

Goal-oriented and self-motivated individual who possesses good teamwork ethics and great communication skills and is ready to use strong background in information technology to solve organisational problems through dedication, commitment and selfless devotion. Ready to work in an environment which encourages me to succeed and grow professionally, guiding me to utilise my skills and knowledge appropriately. Organised, dependable and successful at managing work with a positive attitude. Skilled in adapting to new situations and challenges to best enhance organisational brand.

WORK EXPERIENCE

Web Developer,

August 2020 - September 2021

Global Leaders Foundation

Accra, Ghana (Hybrid)

- ❖ Collaborated with product managers, designers, and other developers to create a user-friendly and accessible experience for young leaders.
- ❖ Successfully launched a web application that was used to develop skills, connect with mentors, and support the NGO's mission.
- ❖ Had a significant impact on the NGO and its mission, helping to increase the number of young leaders who were empowered to make a difference in the world.
- ❖ Used React to build a modern and interactive frontend that was easy to use and navigate.

Mobile Developer

June 2022 - Present

Kwanso Boafo

Accra, Ghana (Remote)

- ❖ On-demand car repair app that connects clients with mechanics.
- ❖ Collaborated in designing and developing an intuitive mobile app with React Native which allows drivers to find mechanics with ease.
- ❖ Successfully integrated RESTFUL APIs which were developed using Django to achieve a fast and robust application.
- ❖ Maintained excellent help and support systems to drivers who had any enquiries to make about the service
- ❖ Actively collaborating with backend developers to develop a similar web application using the react library

React Developer Intern

June 2023 - Present

Blackbird

Sydney - Australia (Remote)

- ❖ Worked hand in hand with UI/UX designers to bring mockups to life
- ❖ Optimized existing web applications for faster load times
- ❖ Collaborated to refactor part of code base into React and TypeScript
- ❖ Always participated in virtual meetings as well as maintained excellent relationship with staff
- ❖ Occasionally interacted with backend developers on RESTFUL API Integration

VOLUNTEERING

Information Technology Officer ,

August 2022 - December 2022

Global Leaders Foundation

Accra - Ghana (Hybrid)

- ❖ Collaborated with secretary to improve existing IT solutions
- ❖ Leveraged on the NGO's facilities to assist young leaders to gain skills in IT related fields
- ❖ Maintained excellent attendance record on a daily basis

- ❖ Attended various meetings organised by the NGO partners to generate funds for the company
